MOWBARNIKAA A

B.E MECHANICAL ENGINEERING

Mail: mowbee22@gmail.com | Mobile: 6380057019

A Mechanical Engineering student with a strong interest in fluid power and energy systems , manufacturing processes. Possess strong leadership qualities and a problem-solving mindset. Seeking a challenging role where I can contribute to innovative engineering solutions while leading and collaborating effectively within multidisciplinary teams.

EDUCATION

Bachelor of Mechanical Engineering ***2023 – present***
College of Engineering Guindy, Anna University, Chennai | **CGPA: 7.68** (till 5th semester)

12th Grade ***2021 - 2023***
Saratha Matric Higher Secondary School, Gobichettipalayam | **Percentage: 91%**

SKILLS

- Autocad (basics)
- Creo (beginner)
- Microsoft excel , word (beginner)
- Team collaboration
- Effective Communication
- Adaptability

PROJECTS

Motorized wiping mop using ornithopter mechanism

- The proposed system translates rotary motion into a linear, side-to-side wiping action suitable for cleaning flat surfaces such as floors.
- Enhanced cleaning performance and reduced manual effort through a compact motor-driven system.

Autogrip 6R: Arduino-based 6-Axis robotic gripper system

- Robotic gripper system that can operate through programmed commands and switch between suction gripper and a mechanical clamp.
- Developed a programmable robotic gripper with six degrees of freedom for precise and versatile object handling.

RESPONSIBILITIES

- Design Head of NSS unit – ix
- Class Representative - 5th Semester (July 2025 – November 2025)
- Coordinator , Society of Mechanical Engineers (SME)
- Organizer , CEG Tech Form (CTF)

CERTIFICATIONS

- Workshop on Industrial mechatronics using real-time sensors and actuators
- Course on AutoCAD

LANGUAGES

- Tamil (Native)
- English (Proficient)

ACHEIVEMENTS

- Best Volunteer Award NSS - (2023 - 2024)
- 1st Place - Intra College Dance competition (Group dance)
- 2nd Place - Inter Variety Competition (Kilpauk Medical College)
- Winner – Badminton Intra department sports meet.
